

COUNTRY: RUSSIA FEDERATION

COMMITTEE: LEGAL

TOPIC: ESTABLISHING INTERNATIONAL LEGAL FRAMEWORKS FOR THE USE OF AI

RUSSIA IS THE BIGGEST COUNTRY IN THE WORLD. THE CURRENCY OF THE RUSSIA IS RUSSIAN RUBLE. THE CAPITAL OF THE RUSSIA IS MOSCOW. RUSSIA IS ONE OF THE COUNTRIES WITH THE COLDEST CLIMATE IN THE WORLD.

AI, WHICH HAS ENTERED OUR LIVES IN RECENT YEARS, HAS AN IMPORTANT PLACE ESPECIALLY IN LARGE COUNTRIES SUCH AS RUSSIA. HOWEVER, THIS IMPORTANCE OF AI IS A PART OF SOCIETY THAT FEARS THAT IT WILL TAKE OVER THE WORLD, JUST LIKE IN SCIENCE FICTION MOVIES, SO PEOPLE ARE IN A PASSIVE STAGE OF PROGRESS IN THIS REGARD. THE LACK OF A LEGAL APPLICATION FOR AI FURTHER INCREASES THIS PASSIVITY.

IN ORDER TO CREATE A LEGAL FRAMEWORK FOR AI, SEMINARS CAN BE HELD FOR PEOPLE ABOUT THE LOYALTY AND COMMITMENT OF AI. CELEBRATIONS AND PARTIES CAN BE HELD WHERE THE FUN ASPECTS OF AI ARE PRIORITIZED. PERHAPS THE MIXING OF AI AMONG HUMANS CAN BE ACCELERATED. THIS WAY, A REFERENDUM CAN BE HELD AND ARTICLES ABOUT THE USE OF AI CAN BE ADDED TO THE CONSTITUTION. RUSSIA MAY EVEN AGREE TO COOPERATE WITH OTHER COUNTRIES ON THIS ISSUE.
